APSA Master Series 2024 - 2nd Session: "Money, Markets and Investments in a Digitalised World"

This 2nd Session in the Master Series explores how money will evolve with digitalisation and how markets and investments will evolve with the digitalisation of money. This Session will begin with a keynote address by Mr. Tao Zhang, Chief Representative for Asia and the Pacific of the Bank for International Settlements ("BIS"), former Deputy Governor of the People's Bank of China and Deputy Managing Director of the IMF, on how digitalisation is shaping the future of money.

This will be followed by a Panel Discussion, to be moderated by Dr. Anthony Neoh, Senior Counsel JP. The Panel, featuring leading experts in markets, risks and investments, will explore how this evolving monetary landscape will change the world of markets and investments, particularly when the world is focused on ESG investments.
